Dear Sharon,

SUBJECT: Request for Confidentiality

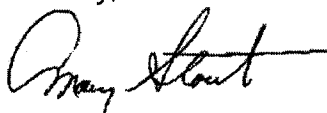

Reference: MQXD900ss-20-A

Please be advised that Adcon requests the FCC "Request for Confidentiality" on the above reference item. As a minimum, this request should apply to any schematics, and block diagrams. It is our preference that all material presented to the FCC by Timco be considered confidential. We understand that there is a separate charge for this service. This request is to protect Adcon Telemetry trade secrets.

Please contact me if you have any questions.

Thank you.

Sincerely,

Mary Stout
