Dear Ms. Diane Poole

Thank you for your email addressed to Mrs Marita Latovehmas at SATEL Oy.

Referring to the items of your request, the following information has been prepared.

Type name SATEL-TA9, marketing name SATELLINE-3AS-OEM11, is a modem which is a part of our customers (Topcon America Corporation) GPS -system. This whole equipment, GR-3, has already the FCC ID: LCB-050901.

The application of this FCC ID contained also the test report of Bluetooth.

Base on this information, we understand that this BT module is included to this earlier mentioned FCC ID.

So, when the whole GPS system already has the FCC ID, we ask to have the FCC ID: MRB-SATELTA9 to our modem.

If any further information is needed for the application procedure, please do not hesitate to contact us at Satel.

Kind Regards,  
Satel Oy  
Marita Latovehmas
