

**Reference:** Equipment Authorization of SATELLINE-3AS radio data modem  
(FCC Identification code: MRBSATELLINE-3AS)

## **REQUEST FOR CONFIDENTIALITY (according to 47CFR/ §0.459)**

### **§0.459/ (b)/ (1) Identification of the material:**

The attachment to the equipment authorization  
(FCC ID = MRBSATELLINE-3AS, **attachment\_id=61436**, exhibit type = Schematics)  
(full path = [https://gulfoss2.fcc.gov/prod/oet/forms/blobs/retrieve.cgi?attachment\\_id=61436&native\\_or\\_pdf=pdf](https://gulfoss2.fcc.gov/prod/oet/forms/blobs/retrieve.cgi?attachment_id=61436&native_or_pdf=pdf))

### **(2) Identification of the Commission proceeding:**

The confidential information mentioned above has been submitted as paper copies via express courier to FCC / Office of Engineering and Technology on the 19<sup>th</sup> of August 1999, as attachments to our application no. EA95384.

### **(3), (4) Degree of information**

The confidential files mentioned above contain technical details of the electronic circuitry of the product.

### **(5) Possible harm caused by disclosure of the information**

Disclosure of the confidential information of the files mentioned above may result in easier 'reverse engineering' by the competitors, and therefore cause significant financial losses in business.

### **(6) Preventing measures of the submitting party**

The applicant for the equipment authorization (Satel Oy) has relied on the standard way how the telecommunication authorities in various states handle the product documentation in connection with equipment authorization procedures.

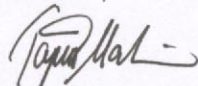

### **(7) Availability of the information**

The confidential information mentioned above is available only to the telecommunication authorities and to the specially authorized parties e.g. local service etc.

### **(8) Period of non-disclosure**

The material should be withheld from public inspection as long as the product is on the market.

Yours Sincerely,  
SATEL Oy

Tapio Malmivaara  
Type Approval Engineer
