Re: Certification for Schrader Electronics
Remote Tyre Pressure Sensor
Model: MRXNIS315G3
FCC ID: MRXNIS315G3
Canada: 2546A-NIS315G3

Please find enclosed application materials for certification of Schrader Electronics Ltd Low Power Tyre Pressure Transmitter. We also tested the device for compliance with 15.231 (e).

I hope that this is everything which you will require to complete this application for type approval of the Transmitter. If there is anything further which you require, please contact me directly at MIRA on the telephone or fax numbers or the Email address below.

Thank you for your kind attention to this matter. I look forward to hearing from you soon.

Yours sincerely

Mr Steven Clegg
Compliance Project Engineer
Electrical Engineering
