FCC ID : MS8-TRANSPONDITV2

Dear Sir or Madam:

I wish to notify you of an alternative enclosure to be used for our Part 15 transmitter, FCC ID MS8-TRANSPONDITV2, Grant Date 15th October 1998.

The circuit is electrically and physically identical to our existing product, only the plastic enclosure and printed circuit board mounting technique has changed. The product in the new enclosure could be referred to by a different trade-name. The FCC ID above is marked on the new enclosure as can be seen in the attached pictures.

There is no change to the radiated power or radiated emissions.

Sincerely,

Kenny Steele
RF Manager
