

Tim Johnson,

Reference: MS8 PtranspondIT V1

Files: 5032CReport
5032CPix
5032Letter (this document)

The items noted above, include test measurements of the MS8 PtranspondITV1 measured on a table outside the cast iron pit. This data was taken on the same unit which is reported in all other previous reports of data taken in various Cast Iron Pits. It is included for reference.
