Subject : The contents of modification to meet FCC Requirement

We express our thanks for your kindness and advices.

We are conformed following modification from current EMI test sample to meet FCC requirement.

Product : 15" TFT LCD monitor

Model : B15BF

FCC ID : MSA B15BF

Modification : We will adhere to EMI tape around 4 point edge of LCD Pannel.

See attached picture, Please.

This modification will be applied in production.

Please check EMI test report to find the point of modification.

Issue date : July 6, 2001
