

맑은 하늘
Dear Mike Kuo

Thank you for your cooperation.

I am sorry for my mistake.
Please see the attached file.

This project is very urgent.
If you possible, please send me TCB Approval sheet in today.

I'm sorry.

Best Regards.

Brucelim.

> Question #1: Per ANSI C63.4 section 11.2, external peripheral for each of
> two different I/O protocols have to be used (PS/2 Mouse and Keyboard are
> excluded). Per the test setup photos and support equipment list, only one
> protocols (USB mouse) was used. Please redo the radiated and conducted
> tests with additional support peripherals. Provide test data, setup photo
> and equipment list.

>

> Question #2: Per the user manual, the audio cable with ferrite cores will be
> provided with the monitor. From the test setup photos, I could locate such
> audio cable. Please explain which audio cable was used and does it equipped
> with ferrite cores.
