

Date: 8/10/2010

FEDERAL COMMUNICATIONS COMMISSION  
Authorization and Evaluation Division 7  
435 Oakland Mills Road Columbia, MD 21046  
U.S.A.

FCC ID: **MSQ-EW2000RX**

To whom it may concern,

We, the undersigned, attest that this device is intended for indoor operations only and does not support operation in the 5600-5650MHz.

We also would like to confirm that the product with FCC ID: **MSQ-EW2000RX** is a master device that only operates within the authorized bands. The end users of the client devices and professional installers of this master device do not have the ability to select country codes or frequencies, power or grant conditions for different regulatory domains.

Regards,
