

Description of Permissive Change

The report is prepared for FCC class II permissive change. The difference compared with the original report are adding a portable platform and updating standard to the latest version.

The module board & antenna didn't change. For more information of platforms, please refer to as below.

Product	Notebook PC	
Brand	Model	Difference
ASUS	E403S (Main test model)	All models are electrically identical, different model names are for marketing purpose.
	L403S	
	R416S
