Dear Sir:

The following application is submitted on behalf of our client, Telular Corporation, Inc., for evaluation of their Fixed-Wireless Terminal radio module in accordance with Part 2 of the rules for a Class II Permissive Change.

The purpose of this application is to revise the information on file with regards to RF Exposure. Revised RF Exposure calculations are provided to include the effects of the source-based time-averaging.

Please contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kirby Munroe', with a long horizontal flourish extending to the right.
