A photograph of a wooden cart in a large industrial or laboratory setting. The cart has a sign on top that reads "Zubiel RF Systems Base Station 1 061128-1107". A mobile phone is also on the cart. In the background, there is a tall metal structure, possibly a crane or hoist, and a set of double doors. To the left, there is a yellow safety railing. The floor is concrete with some yellow and black hazard tape markings.
