

Silencer BT:

  
**WALKER'S**  
Silencer BT  
Model: GWP-SLCR-BT  
Made in China

Input: 5V  $\approx$  80mA(earbud)  
5V  $\approx$  600mA(charging case)

FCC ID: MV3-GWP-SLCRBT  
IC ID: 9029A-GWP-SLCRBT

|                                                                                                                                                               |  |  |  |  |                                                                                      |  |  |  |  |                                                                                                |  |  |  |  |                                                                                      |  |  |  |  |                                                                                      |  |  |  |  |
