## FCC DECLARATION LETTER

FCC ID: MXF-S981116N

Date: 2011.03.18

To whom it may concern:

We, the undersigned, declare that the 5600~5650MHz band operation of our product FCC ID: MXF-S981116N, Model: ISB7005 will be disabled by the firmware setting during the manufacturing process and won't be user changeable for complying with the present FCC NII product certification policy.

Sincerely,

**Adam Wang/ Manager**
