

Re: Certification for Temic Transmitter
Model: MYT3X6898B
FCC ID: MYT3X6898B
CANADA: to be provided by IC

FCC/ IC ID LABEL

The below shown label will be printed in black on a white permanent label.

Label

**GM 15008008
CANADA: XXXXXXXXXX
MODEL/FCC ID: MYT3X6898B**

Location

The following statement will be printed in User's Instruction Manual (Manual Exhibit)

This device complies with Part 15 of the FCC Rules and with RS-210 of Industry Canada.
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

A letter authorizing variance from the official statement is in Attestations.
