

From: FLYSKY RC MODEL TECHNOLOGY CO., LTD (**Grantee Code: N4Z**)

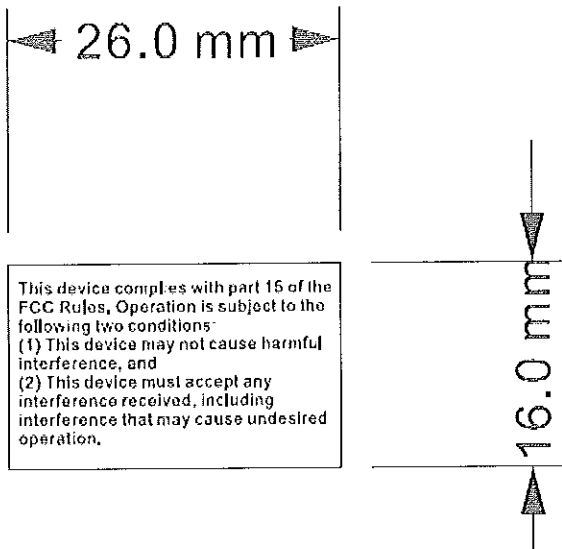

Regarding: Artwork Submission Exemption for indicating CFR 47 sec. 15.19 Labelling Requirement on Packaging of FCC ID: N4ZX8B00

To: SGS North America, Inc

620 Old Peachtree Road NW, Ste 100 Suwanee, GA 30024

Kindly notice that the device to be authorized per §2.907 is a Modular product which has only a no more than 24mm*18mm labeling area, we as the manufacturer and Applicant, decided based on proper evaluation to indicate [This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.] in its Manual to OEM and Packaging per §15.19 (a)(5).

The device will be sold in batch only, therefore, the package of the products will be a gift box which contains dozens of this module. Containing box varies from order and shipment, which means no designated package. We guarantee that 15.19(a)(3) will be properly labeled on the containing box as below. Currently in the regulatory Certification stage, such box can't be finally designed and decided, thus we urge you to honor our request "submission exemption of the packaging artwork" and kindly proceed the application review and FCC Grant issuance.

To: Federal Communications Commission

Office of Engineering and Technology Laboratory Division
7435 Oakland Mills Rd. Columbia MD 21046

Kindly note this statement is made under our sole responsibility, we take full responsibility of complying FCC labelling Rules. The FCC TCB SGS North America, Inc bears no responsibility of our practical enforcement.

Sincerely,
