A collection of electronic accessories is laid out on a blue surface next to a ruler for scale. The items include a coiled black cable with a USB connector on one end and a small black rectangular device on the other; a power adapter with a two-prong AC plug and a USB output; a standard USB-A to USB-B cable; and a small black rectangular device. The ruler shows measurements in both inches (0 to 6) and centimeters (0 to 20).
