Re: Request for confidentiality

Applicant: Scanreco AB, Sweden

FCC ID: N50RC400TR02FH433

To whom it may concern,

Request is hereby submitted by Scanreco AB, Sweden to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics/PCB circuit diagrams.
- Block diagrams.
- Parts lists.
- Operational description.

Rationale for request for confidentiality:

Scanreco AB, Sweden has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Thank you for your attention to this matter
