

Declaration of professional installation

Date: December 20, 2023

UL Verification Services Inc.
47173 Benicia Street, Fremont, CA 94538

FCC ID : N6C-SDMAH
Applicant : Silex Technology, Inc.

To whom it may concern:

Embedded Wireless Module (SX-SDMAH) is intended to be mounted inside of a host by end product manufacturer professionally. Although the antenna connector of the intended use cable is not a unique, it is instructed to install only by the professional installer to ensure that the regular antenna connector is installed inside the intended host.

Thank you for your attention to this matter.

Sincerely,

Yoshinori Nakai
Silex Technology, Inc.
