Authorization Letter

TO:

Federal Communications Commission
Authorization and
Evaluation Division

FCC ID: N6C-SDMAN

IC: 4908B-SDMAN

M/N: SIDO Wireless Module

We granted single modular approval in mobile configuration. Now the company Honeywell International Inc use this wireless module (FCC ID: N6C-SDMAN) in their portable device (Product Name: Thermal Printer, M/N: RP2D, RP4D), therefore they should perform SAR testing with the host device.

Meanwhile we authorized to Honeywell International Inc (Compliance Leader: Lucas Wang) to deal with this action (Class II Permissive Change based on wireless module FCC ID: N6C-SDMAN).

Sincerely,
