RE: Permissive changes to FCC ID N6SGBIR14 and N6SGBIR16

To Whom It May Concern:

In reference to FCC ID N6SGBIR16 and N6SGBIR16, Gilbarco is requesting confidentiality for antenna electrical schematic diagrams.

This request is being made under the provisions of Section 0.457(d) of the Commission's rules, and Section 552(b)(4) of the Freedom of Information Act. These schematic diagrams should fall within the scope of Section 552(b)(4) as trade secrets. Under the provisions of Section 0.457(d), these schematic diagrams should not be routinely available for public inspection.

The application contains technical information, which Gilbarco deems to be trade secrets and proprietary. If made public, the information might be used to the disadvantage of the applicant in the market place.

Thank you for your attention to this matter.

A handwritten signature in black ink, appearing to read "B Sykes".
