Re: FCC ID: N6SGCM

To Whom It May Concern:

The following application is submitted on behalf of our client, Gilbarco, Inc., for evaluation of their model FlexPay Contactless for single modular approval certification under FCC Part 15.225.

The FlexPay Contactless is a stand-alone module which is designed to be integrated into specific host devices. The FlexPay Contactless meets all requirements for single modular approval under Part 15.212 and was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
