Re: FCC ID: N6SLFTRIND

To Whom It May Concern:

The following application is submitted on behalf of our client, Gilbarco Inc., for evaluation of their model LFTRIND for certification under FCC Part 15.209.

The LFTRIND is a stand-alone module which is designed to be integrated into specific host devices. The LFTRIND was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,
