Subject: Request for Confidentiality

FCC ID: N79CNI-900KM

Company: Communication Network Interface, Inc.

EUT Type: Two Way Personal Communicator

FCC Part 24 Subpart D/ Part 90

Gentlemen:

In accordance with 0.459 of CFR 47, Communication Network Interface, Inc. hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Part List/Tune-Up Procedure attachment for the above-referenced Certification application.

These documents contain detailed system and equipment description and related information about the product which Communication Network Interface, Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Communication Network Interface, Inc. feels this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely Yours,

Mr. Jeonghun Yang - R&D Director
