Mrs. Springer,

Acting as an authorized agent on behalf of our client, Elster American Meter Company, LLC, we request the application for FCC ID: N7L-RFMD-02 be dismissed. It was found that some of the parameters reported in the application were not correct, most notably the duty cycle of the transmitter. It is our intention to correct the information and re-submit the application.

As of the date of this letter, no devices have been sold anywhere in the United States nor anywhere in the world. No devices will be sold until the information is corrected and the application is re-submitted and granted.

We apologize for any inconvenience and appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Nic S. Johnson". The signature is fluid and cursive, with a long horizontal stroke at the end.
