Re: Change of Identification for FCC ID: N7N-MC5725

We hereby request a change in identification as specified under 47CFR2.933 of the FCC rules. This change applies to the MC5725 PCI Express Mini Card, originally granted on May 15, 2006 with FCC ID N7N-MC5725. Sierra Wireless intends to market the above referenced product under the new FCC ID: N7N-MC5725-H. The product bearing the new FCC ID is identical to the originally certified equipment. The change reflects a labeling change only.

Sincerely,

Todd Van Cleave
