RE: Class II Permissive Change for FCC ID: N7N-MC5725-H

Dear Sir/Madam:

This is to request a Class II permissive change for FCC ID: N7N-MC5725-H, originally granted on March 8, 2007.

The change filed under this application is as follows:

-Allow user installation of the MC5725 module in a host device (Model **HP HSTNN-W26C) by implementing a BIOS locking feature.**

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Ying Wang
