RE: Class II Permissive Change Application for FCC ID: N7N-MC5725

Dear Sir/Madam:

In connection with Equipment Authorization FCC ID: N7N-MC5725 (the "**Authorization**") granted by the Federal Communications Commission on the 15th May, 2006 to Sierra Wireless for the Sierra Wireless MC 5725V (the "**Module**"), Sierra Wireless grants L-3 Communication Systems-East the right to apply to the FCC for a Class II permissive change to the Authorization for the sole purpose of embedding the Module in L-3's Guardian™ Secure Mobile Environment Portable Electronic Device.

Sincerely,

Sierra Wireless, Inc.
