

**FCC SUPERSEDE EXHIBIT LETTER. 20110628**

**Exhibit AC313U\_FCC\_Parts\_22\_24\_27\_Test\_Report\_Rev2.pdf**

**has been superseded by**

**AC313U\_FCC\_Parts\_22\_24\_27\_Test\_Report\_Rev3.pdf.**

**The reason is the during the final upload process, due to administrative error, AC313U\_FCC\_Parts\_22\_24\_27\_Test\_Report\_Rev3.pdf, was not placed in the upload files area. AC313U\_FCC\_Parts\_22\_24\_27\_Test\_Report\_Rev2.pdf was mistakenly uploaded to the final filing.**

**Changes to the Rev3 report were based on questions from FCC and the TCB during the PBA process. The revisions **include updated LTE output power results on pages 16-18.****

**AC313U\_FCC\_Parts\_22\_24\_27\_Test\_Report\_Rev3.pdf is the latest revision of the conducted measurements report and contains measurements that are consistent with the results in the SAR Report 10U13530-D FCC IC LTE SAR Report\_No Photos.pdf which was uploaded with the final filing.**
