Re: Sierra Wireless, Request for Confidentiality  
FCC ID: N7NAC402  
Request for Confidentiality

To whom it may concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

Operational Description  
Block Diagram  
Antenna Specification  
Tune up info.  
Schematic

Above mentioned documents contain detailed system/ equipment descriptions and related information about the product in which Sierra Wireless considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request(for 180 days) on the following attachments:

External Photos  
Internal Photos  
Test Setup Photos  
User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely

A handwritten signature in black ink, appearing to read "Todd Van Cleave". The signature is fluid and cursive, with a large initial "T" and "V".
