CONFIDENTIALITY LETTER

DATE: 4 January, 2011

Federal Communications Commission
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046

Re: Sierra Wireless, Request for Confidentiality
FCC ID: N7NAR3550
Request for Confidentiality

To whom it may concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

Block Diagrams
Circuit Description
Schematic
Tune up and Alignment Procedure
Theory of Operation

Above mentioned documents contain detailed system/ equipment descriptions and related information about the product in which Sierra Wireless considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential for 180 days. We are requesting the commission to grant short-term confidentiality request on the following attachments:

Test Setup Photos
External Photos
Internal Photos
Manual Hardware Integration Document

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Sincerely

A handwritten signature in black ink, appearing to read "Todd Van Cleave". The signature is fluid and cursive, with a long horizontal stroke at the end.

Todd Van Cleave
