Re: Change of Identification for FCC ID: N7NEM7355

We hereby request a change in identification as specified under 47CFR2.933 of the FCC rules. This change applies to the EM7355 module, originally granted on December 18, 2012 with FCC ID: N7NEM7355. Sierra Wireless intends to market the above referenced product under new FCC ID: N7NEM7355-D4. The product bearing the new FCC ID is electrically identical to the originally certified equipment.

Sincerely,

A handwritten signature in black ink, appearing to be "Ying Wang", written over a horizontal line.
