Re: Change of Identification for FCC ID: N7NMC8355

We hereby request a change in identification as specified under 47CFR2.933 of the FCC rules. This change applies to FCC ID: N7NMC8355, originally granted on August 24, 2010. Sierra Wireless intends to market the above referenced product under new FCC ID: N7NMC8355-L. The product bearing the new FCC ID is identical to the originally certified equipment. This change reflects a labeling change only.

Sincerely,

A handwritten signature in black ink, appearing to read "Ying Wang", is written over a light gray, stylized wave graphic that matches the Sierra Wireless logo.
