**RE: Application for Class II Permissive Change
FCC ID: N7NMC8781**

Dear Sir/Madam:

Sierra Wireless is submitting an application for Class II Permissive Change to our PC Card wireless modem, model MC8781 (FCC ID: N7NMC8781). This product was initially certified by the Commission on April 26, 2007.

The changes filed under this application are as follows:

To enable the HSUPA feature of the product by a firmware upgrade. There's no hardware change involved.

Please contact me if you have any questions or need further information regarding this application.

Sincerely,

Ying Wang
Senior RF Engineer
