Modular Approval Request Letter

Sierra Wireless, Inc

22nd Sept 2009

Dear Application Examiner,

Sierra Wireless's MC8795V is a UMTS/GSM/GPRS module, FCC ID: [N7NMC8795](#)

Would like to have your authorization as modular approval specific to the UMTS/GSM/GPRS etc.,. The requirement of Public Notice DA00-1407 have been met and shown on the following statements.

1. " The modular transmitter must have its own RF shielding." The radio portion of this module has been shielded, please see Exhibition Photo.
2. "The modular transmitter must have buffered modulation/data inputs." The EUT has buffered data inputs; it is integrated in chip MSM6290.
3. "The modular transmitter must have its own power supply regulation." The power management PM6653 chip controls the power up, power down and power transitions of other devices associated to a specific functionality. The RF converter embedded inside chip MSM6290 will influence the frequency radiation and hence have to be powered by PM6653 with a voltage of 3.3V.

4. "The modular transmitter must be tested in a stand-alone configuration." The EUT was placed on a Development Started board as a stand-alone configuration. Please refer to Test Result of mode in the test report.
5. "The modular transmitter must be labeled with its own FCC ID number." Please see exhibition Label Sample for the FCC ID of this module. And also in the User Manual.
6. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such requirements." The EUT is compliance with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.
7. "The modular transmitter must comply with any applicable RF exposure requirements." The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Please contact me if you have any further questions. Thanks for your attention.

Best regards,

Title: Project Manager of Manage
