To Whom It May Concern:

Re: Change of Identification for FCC ID: N7NQ2687

We hereby request a change in identification as specified under 47CFR2.933 of the FCC rules. This change applies to the Q2687 radio module, originally granted on 4/22/2009 with FCC ID: N7NQ2687. Sierra Wireless intends to market the above referenced product under new FCC ID: N7NQ2686. The product bearing the new FCC ID is electrically identical to the originally certified equipment.

Sincerely,

A handwritten signature in black ink, appearing to read "Ying Wang", is written over a light gray horizontal line.
