

Photographs of EUT

Details of:	Overall view 1
	 A photograph showing the front view of a white, circular electronic device with a small stand. The device has a central circular area with a thin grey ring. It is placed on a blue textured surface next to a yellow ruler. The ruler shows centimeter markings from 14 to 21 and inch markings from 0 to 6. The device's diameter is approximately 4.5 cm.

Details of:	Overall view 2
	 A photograph showing the back view of the white circular device. The back panel features several circular holes, a small rectangular port, and printed text: "MODEL:AC017", "PCC ID:N7TAC017T", "IC:5786A-AC017T", "N0499", "Made in China", and "Angelcare". The device is shown next to a yellow ruler for scale, with the same markings as in the first image. The stand is also visible to the right of the device.

Details of:	Battery stack view
	 A photograph of a white, dome-shaped electronic device, possibly a sensor or a small camera, with its battery compartment open. The device is placed on a blue surface next to a yellow ruler for scale. The ruler shows measurements in inches (0 to 4) and centimeters (18 to 25). The device has a circular opening on top and a rectangular opening on the front. The battery compartment is open, revealing two battery slots. The device is labeled "Ango" and "Model 10" on the top. The ruler is positioned vertically on the left side of the device, and horizontally at the bottom. The device is approximately 1.5 inches in diameter.
