Purpose of Change

I, an officer from Angelcare Monitors Inc, hereby confirm that the submitted models AC1100/AC1120 have the following differences compare to the previous version:

- 1) Added light sensor on the Nursery unit.

The above are to improve LCD quality and IR night vision performance.
The others electronics, electrical, mechanical design including housing and cosmetic, and RF modules are remain the same.

Should there be any question, please contact the undersigned.
