

July 10, 2009

Attention Advanced Compliance Solutions, Inc:

Please note the purpose of our submission is to obtain a Class II Permissive Change and add the DTV II Media Module as an acceptable host under the grant of equipment authorization for the Roku PCB Media Module which already has Limited Modular Approval under FCC ID: N82-KOHLER004 and IC: 4554A-KOHLER004. Also see attached letter from June 3, 2008 of the original submission.

Thanks and Best Regards,

A handwritten signature in cursive script that reads "Daniel L. Berg".

June 3, 2008

Dear ATCB Reviewer,

Please note that the Roku PCB Media Module will be placed inside the Kohler FHB and DTV-II media controllers (host units). The following letter requests a Limited Modular Approval for the Roku Media Module. Only the FHB media controller is included with this filing as a host unit. The DTV-II media controller will not be included on this application. It will be added as an additional host unit for the Roku PCB Media Module at a later date as a Class II Permissive Change.

Thank you for your attention to this matter.

Sincerely,

William Stumpf
