

Federal Communications Commission
Authorization and Evaluation Division

Regarding application for certification of FCC ID: N9Y0086
The following information has been requested by the TCB with regard to
95.1125 RF Safety:

We have evaluated the RF safety under portable conditions (2.1093(b)) for
this device and declare compliance with the requirements of 2.1093 and
1.1307(b).

Regards,

Warren Bendler
