RE: Transfer of Grantee Code, GQL

Dear Mr. Fabina:

Thanks very much for all the information and help you have give to me to assist me in the process of taking ownership of a product line that was once owned by Espion.

Attached is a copy of a letter from the General Manager of Espion which basically turns over the rights of grantee code GQL to Lamson. Attached, you will also find a letter written by me accepting the grantee code.

With the enclosed check for \$940.00, I am hereby authorizing the start of the process of transferring the above mentioned code to Lamson & Sessions. I will be the main contact at Lamson for all matters relating to transfer and can be reached at 216-766-6768. My fax number is 216-591-1035. In the near future, you will be receiving electronic applications of all the related FCC ID's involved with the code transfer. These will be as follows: GQLRRXV213X, GQLRRXV214X, GQLRRXV2150, GQLRRXV2160, GQLRTXHW002T, GQLRTXV211XT, GQLTXR2200.

Thanks for your cooperation and assistance in this matter.

Signed,

Simeon T. Lee, PhD, PE
Group Engineering Manager
