A photograph of a green printed circuit board (PCB) for a Sony CCD camera. The board is populated with various electronic components, including resistors, capacitors, and integrated circuits. A large black integrated circuit is visible in the center. The board features a CE mark and a recycling symbol. The components are labeled with values such as 220, 100, 2R2, 3R9, and 10K. The board is mounted on a blue surface.
