Re: Label location for NBZNRM-MC935D

The label containing the FCC ID for NBZNRM-MC935D is located on the main body of the device under the removable rear enclosure lid. This label will be visible to the end user since the rear lid will not be in place when the product is shipped. The rear lid and the SIM card that fits into the slot covered by the rear lid will be packaged so as not to be assembled at the time of purchase.

Regards,

A handwritten signature in black ink, appearing to read "Jim Turner", with a long horizontal flourish extending to the right.
