Re: FCC ID: NC3-24014VL Attestation Statement for Communication Methods

LTE Exclusive Operation Modem:

- Our product utilizes an LTE FDD Only Modem.
- It does not support ANY 3G Bands nor LTE TDD Operation.
- LTE exclusive operation is by design by the Modem Manufacturer.

Voice Operation:

- Voice operation is performed exclusively using the LTE Modem over the VoLTE Network.
- Device is neither designed nor intended to support a voice capability over a Wi-Fi network.
- This is NOT a consumer-based product. This device is to be used solely by law enforcement agencies for offender tracking & monitoring purposes and will not be made available to the general public.
