Subject: **Change description letter for Class II Permissive Change**  
GANTNER Electronic GmbH  
FCC ID: NC4-GEA2200192A  
Grant Date: 07/06/2021  
Model No.: BG BLEM-SL22

To Whom It May Concern:

The following changes were made to the module:

- Instead of the internal Connectorized Coaxial Dipole antenna, an external inverted pcb antenna is used.

A spot check to confirm the validity of the already existing FCC certification of the radio module was applied with the test report 2240681KAU-001.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

*Hartmann Elmar*
