To Whom It May Concern:

This application has been granted under FCC ID: ONJ-MDR5800ET for Tellumat (Pty) Limited. The grant was issued on May 15, 2001. Plessey a division of Tellumat PTY Limited has given permission to Wave Wireless Networking to place their own FCC ID: NCBSLSC5800 on the Tellumat product, however, they do not want Wave Wireless Networking to have access to the schematics and block diagram.
