FCC Certification

Mario de Aranzeta
Timco Engineering Inc.
849 NW State Route 45,
Newberry, FL 32669

Dear Mario,

Please be advised that the 10 feet long antenna cable used for FCC testing of NCBSLTM unit
(FCC Confirmation No. EA97983) at Timco Engineering , represent the minimum length of
the cable supplied with the unit.

Sincerely,

John Dyndul

A handwritten signature in black ink, appearing to read "John Dyndul", is written over the printed name.
