To Whom It May Concern:

The following application is submitted on behalf of our client, Cooper Lighting, LLC, for evaluation of FCC ID: NCG-MS180D for certification under FCC Part 15.245.

FCC ID: NCG-MS180D is a motion detecting sensor head that is to be installed in conjunction with an outdoor light. The models listed in this filing are electrically identical and differ only in the lighting option / load and device color.
