**CONFIDENTIALITY REQUEST FOR 'GE0202',  
FCC ID: NCMOGE0202**

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section §0.459.

We have requested that the schematic diagrams, Parts list, tune-up procedure, operational description and Block diagrams required to be submitted with this application be withheld from public review. These documents contain detailed system and equipment description and related information about the product which Option NV considers to be confidential. Since the design is a basis from which future technological products will evolve, Option NV considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
