Request for Change in identification

To Whom It May Concern:

October 10, 2007

Pursuant to CFR § 2.933, **Option NV** hereby requests for change in identification. .
This change is for application with FCC ID: **NCMOGE0201** granted on **January 26, 2007**
The new FCC ID shall be **NCMOGE0213**.

FDD 2 band operations have been disabled and appropriate components have been removed.
There is no change in RF Exposure behaviour caused by this changing. Therefore Permissive
Change I procedure applies.

Because of marketing reasons we apply for a new FCC ID by using "Change in Identification"
procedure.

Test results of the original grant continue to be representative of and applicable to the
equipment bearing the changed identification.

The following new exhibits will be uploaded:

- External Photos
- ID label with label location information
